Health Education

Dated 31.X 1956.

[Despatch Abstract.]

Building - South Canara Dist - Puttur.
Asst Surgeon's Quarters - Construction
of enclosure Room and water
tank for cooling the enclosure - Expn
Rs. 1020/- Sanctd.

Medical Department.

From

Lt.Col.Sangham Lal., MBBS., FRCS., DOMS.,(Lond).,
Director of Medical Services,Madras-6.

To

The Secretary to Government, Health, Education
and Local Administration Department, Madras.

In R.No.69694-M/56 dated 15-9-1956.

Sub: Buildings - Construction of an Engine room and Water tank for the pump set installed in the compound of the ~~Civil~~ Assistant Surgeon's Quarters at Puttur-South Kanara District - Estimate Rs.1020/- sanction-requested.

Ref: G O.Ms.No.335, Health, P.W. dated 28-1-52.

I forward herewith the plans and estimate amounting to Rs.1,020/- for the construction of an engine room and water tank for the pump set installed in the compound of the ~~Civil~~ Assistant Surgeon's quarters at Puttur, South Kanara District. A copy of letter C.No.11568-G1/56 dated 4-8-56 received from the District Medical Officer, South Kanara District explaining the necessity for the work is also enclosed for the information of Government. In the circumstances stated therein, I request that the Government may be pleased to accord administrative approval to the work. Specific sanction of Government for the execution of the work during the current year may also be accorded at an early date.

Yours faithfully,

For Director of Medical Services.

Tvn.14/9.

Copy of letter C.No.11568-G1/56 dated 4-8-1956 from the District Medical Officer, South Kanara, Mangalore to the Director of Medical Services, Madras-6.

Sub: Buildings - Construction of an Engine room and water tank for the pump set installed in the compound of the Civil Assistant Surgeon's quarters at Puttur - Estimate Rs.1020/- approval - proposals.

Ref: Your R.No.69694-M-56 dated 25-6-56.

--

The improvements to the well attached to the Civil Assistant Surgeon's quarters at Puttur with provision for an Oil Engine Pump as a source of waterrsupply to the Government Hospital,Puttur, was sanctioned as early as 1951. Now the work of (1) installation of pump set (2) construction of water tank and pump set and (3) installation of wash basins in the various situations ~~as~~ is completely over. But the pipe system cannot be put into operation unless the Engine Room and the drainage system for the disposal of sullage water issuing from the various wash basins are constracted.

2. As there is no protection for the pump set installed the same is subject to damage by rains and dust etc. and it is not possible to postpone the work for 1957-58. It is therefore, imperative that the work need be executed with the least possible delay. A sum of Rs.11000/- was spent upto last year for water supply connection which is kept idle for want of taking up the two minor items of work for execution I, therefore, resubmit the plan and estimate for favour of reconsideration and I strongly recommend that the work mayk kindly be sanctioned for execution during the current year 1956-57 from the savings of other items of works if any in this District.

3.I am addressing the Executive Engineer, P.W.D.South Kanara, Mangalore, to forward plans and estimate for the construction of a drainage system as early as possible.

/True copy/

sanction was accorded for the improvement of a well in the Asst. Surgeon's quarters attached to the Coast Hospital, Puttur, provision of an oil engine with pump set and a water supply line with a tank so as to ensure proper water supply to the hospital. The above work has been completed. But the pipe system cannot be put into operation unless the Engine room and the drainage system for the disposal of sullage water are constructed. The D.T.S. has now forwarded plans and estimate amounting to Rs. 10201/- for the construction of an Engine room and a small water tank to store water for cooling the engine. The proposal may be accepted.

May be circulated next to the P.W. dept and the Fin. dept for remarks.
